The issuance of shares may be carried out in deviation from the shareholders' pre-emptive subscription right (directed issue). The authorisation may be used for potential acquisitions or other arrangements, for share-based incentive schemes or otherwise for purposes decided by the Board of Directors.

The Board of Directors proposes that the authorisation be valid until the conclusion of the next Annual General Meeting, in any case no later than until 30 June 2024. Shareholders who have the right to participate in the General Meeting may participate in the meeting and exercise their shareholder rights fully during the meeting either at the meeting venue or via remote connection.

A notice given by shareholders or proxy representatives that they will participate in the General Meeting via remote connection is binding, and after the end of the registration period the shareholders or proxy representatives do not have the right to change their means of participation or participate in the meeting at the meeting venue. However, a notice of participation via remote connection given by a shareholder's proxy representative does not limit the right of the shareholder's other proxy representatives to participate in the meeting at the meeting venue.

The remote connection to the General Meeting will be implemented through Inderes Oyj's virtual AGM service using the Videosync platform, which includes video and audio access to the General Meeting. Using the remote connection does not require software or downloads subject to a charge. A proposed resolution that is subject to advance voting is considered to be presented unchanged in the General Meeting, and the advance votes are taken into account in a vote at the real-time General Meeting also in circumstances where an alternative resolution has been proposed concerning the matter. Taking the votes into account requires that the shareholders who voted in advance are registered in the Company's shareholders' register maintained by Euroclear Finland Oy on the record date of the General Meeting. Unless shareholders voting in advance are present at the General Meeting in person, by way of proxy representation or via remote connection, they will not be able to use their rights under the Companies Act to request information or a vote.

Holders of nominee registered shares can vote in advance through their account operators. Account operators can vote in advance on behalf of the holders of nominee registered shares they represent in accordance with the shareholders' voting instructions during the registration period applicable to holders of nominee registered shares.

4. Holder of nominee registered shares

A holder of nominee registered shares has the right to participate in the Annual General Meeting by virtue of such shares, based on which the holder of nominee registered shares on the record date of the General Meeting, 9 March 2023, would be entitled to be registered in the shareholders' register of the Company held by Euroclear Finland Oy. In addition, the right to participate requires that the holder of nominee registered shares be temporarily entered into the shareholders' register held by Euroclear Finland Oy based on these shares at the latest by 16 March 2023 at 10:00 a.m. EET. As regards nominee registered shares, this constitutes due registration for the General Meeting. Changes in shareholding after the record date of the General Meeting do not affect the right to participate in the General Meeting or the number of voting rights.

A holder of nominee registered shares is advised to request in good time the necessary instructions regarding registration in the temporary shareholders' register of the Company, the issuing of proxy documents and voting instructions, registration for the General Meeting, and advance voting from such shareholder's custodian bank. The account management organisation of the custodian bank shall temporarily register a holder of nominee registered shares who wishes to participate in the General Meeting into the shareholders' register of the Company at the latest by the time stated above. When necessary, the account management organisation of the custodian bank shall also arrange voting in advance on behalf of the holder of nominee registered shares within the registration period applicable to holders of nominee registered shares.

A holder of nominee registered shares who has registered for the General Meeting may participate in the General Meeting at the meeting venue or via remote connection. Remote participation requires temporary

entry into the shareholders' register held by Euroclear Finland Oy and submission of an email address and telephone number of the holder of nominee registered shares by email to the address agm@innovatics.fi before the registration period applicable to holders of nominee registered shares expires so that an attendance link and password can be sent to the holder of nominee registered shares for participating in the General Meeting remotely.

When a shareholder participates in the General Meeting by means of several proxy representatives representing the shareholder with shares in different book-entry accounts, the shares by which each proxy representative represents the shareholder shall be identified in connection with the registration for the General Meeting.

A proxy template is available on the Company's website at <https://www.withsecure.com/en/about-us/investor-relations/governance>.

Proxy documents are to be delivered primarily as an attachment in connection with the electronic registration, by email to the address agm@innovatics.fi or by mail to the address Innovatics Ltd, General Meeting/WithSecure Corporation, Ratamestarinkatu 13 A, 00520 Helsinki before the end of the registration period, by which time the proxy documents must be received. WithSecure Corporation may, if it so wishes, demand original proxy documents if regarded necessary by the Company.

In addition to submitting a proxy document, shareholders or their proxy representatives shall ensure that they register for the General Meeting in the manner described above in section C. 1. Of these instructions.

If a proxy representative represents more than one shareholder at the General Meeting, it is recommended to vote in advance. If the proxy representative represents more than one shareholder at the General Meeting either at the meeting venue or via remote connection, a separate attendance link and password will be provided for each shareholder represented. The proxy representative shall ensure the exercise of shareholders' rights by logging into the service on behalf of each shareholder separately.
